SEATUC Journal of Science and Engineering

The SEATUC Journal of Science and Engineering (SJSE), published by South East Asian Technological University Consortium (SEATUC), is a new initiative project which aim to promote the further development of SEATUC's member universities and to improve the SEATUC's presence to the world. It is refereed online international journal dedicated to the latest advancement in science and engineering, providing a forum for the publication of scientific or technical papers. The main fields of the journal are as follows.

01. Mechanical, Mechatronic and Robotics Engineering
02. Electrical and Electronic Engineering
03. Computer Engineering, Computer Science and ICT
04. Energy and Environmental Engineering and Science
05. Civil Engineering and Planning
06. Architecture and Architectural Engineering

07. Materials Science and Engineering, Applied Chemistry
08. Industrial and Manufacturing Engineering
09. Bioscience, Bioengineering and Life Science
10. Basic and Applied Mathematics and Science
11. Business, Technology Management, Engineering Education

Call for Papers

SEATUC Journal of Science and Engineering

1. FastTrack submission

Authors are cordially invited to submit the extended version of previously published papers in an online SEATUC Symposium. All manuscripts must be prepared in English and are subject to a rigorous and fair peer-review process. Please note that FastTrack is available only for papers accepted for SEATUC2025 TS-Fast Track.

Submissions should be in PDF format and within six (6) to eight (8) printed pages, including figures, following the manuscript template. Submitted papers will be peer-reviewed by same reviewers of SEATUC2025 FastTrack. Only accepted papers can be published in the SEATUC Journal of Science and Engineering2025 (SJSE2025).

Authors of FastTrack should send a statement to SEATUC Secretariat explaining how you responded to the SEATUC2025 reviewers' comments at the time of paper submission.

2. Regular submission

Authors are invited to submit complete unpublished papers in English.

Submissions should be in PDF format and within six (6) to eight (8) printed pages, including figures, following the manuscript template. Submitted papers will be peer-reviewed by at least two reviewers. Only accepted papers will be published in the SEATUC Journal of Science and Engineering2025 (SJSE2025).

Manuscript templates (common to both 1 and 2) must be downloaded from EasyChair.
